

## POLY-CASTER™ UTV

The FISHER® POLY-CASTER™ UTV hopper spreader is a full-featured, professional-grade spreader designed specifically for UTVs. The 11 cu ft UTV spreader delivers many of the features of our truck-mounted models, in a size just right for your utility vehicle. Dual electric motors and dual variable-speed controls put maximum control at your fingertips to assure a clean, professional application.

### DUAL VARIABLE-SPEED CONTROLS

Independently control two electric motors to precisely match material delivery and spread pattern to conditions

### VIBRATING INVERTED V

A standard vibrator provides agitation to help keep material flowing smoothly

### TRANSVERSE AUGER DELIVERY SYSTEM

Automatically backs itself out if an obstruction occurs until it is cleared

### TOP SCREEN AND COVER

Helps break up large chunks during loading, and the fitted tarp cover helps keep ice control material dry

### QUICK-CONNECT SPINNER ASSEMBLY

Gain easy access to the hitch by removing the quick-connect spinner drive assembly

Shown with cover accessory

## QUICK-CASTER™ 300W

The QUICK-CASTER™ 300W wireless electric tailgate spreader delivers the ultimate in "plug 'n' play" convenience.

- Wireless, one-touch, on/off operation with two spinner speeds
- Fully enclosed electric motor and maximum torque transmission
- Maintenance-free poly hopper holds up to 3 cu ft of rock salt
- Easy on/off with a standard 2" receiver mount and 7-pin plug  
*(Additional mounting options available)*
